

PLAYBOY

Pleasure

Product Specifications:

Material: Borosilicate Glass

CARE INSTRUCTIONS

1. Compatible with Playboy Pleasure – Slick: H2O lubricant as well as other water-based lubricants.
2. Clean your toy after every use with Playboy Pleasure – Clean: Foaming Toy Cleaner and a warm water rinse. Dry thoroughly before storage.
3. Store your toy in a cool, dry place separated from other toys, as toy materials sometimes react chemically with each other.
4. For 'sensation play', immerse the toy in warm or cool water before use.
