

THE CANDY SHOP PINK LADY

The Candy Shop collection from Dream Toys immediately catches the eye with their soft pastel colours and smooth shapes. Each toy from the Candy Shop collection has a different pastel colour and a matching name.

This is the Pink Lady wand massager from the Candy Shop range. It has a flexible neck that makes the wand suitable for users who don't like the feeling of a sturdy vibrator but prefer one that flexes and moves along with the body curves. It's also great to apply varying pressure during use. The Pink Lady offers 7 vibration rhythms and 3 speeds that are driven by a strong motor. For convenience the wand stimulator is rechargeable with the included USB cable. Don't hesitate to take the Pink Lady with you in the shower or bath tub, it's IPX7 waterproof. The Candy Shop wand massager is made silicone and ABS. It is phthalate-free, latex-free and 100% body safe.
